

Action Step 2

We urge Scientologists to help by doing three things:

1) Read the Demand for Compliance Audit letter to CST Special Directors. (This is not the same letter that was linked in Action Series 1.) The letter serves to put the special directors (who are licensed, compensated California lawyers) on notice of a situation involving their legal duties, and requests them to responsibly handle the situation by conducting an independent audit of CSI. The situations to be audited are specified in the letter. To view the letter click below:

2) Send a letter of support to a law firm retained by us, stating your support for the Compliance Audit. (This is not the same letter that was linked in Action Series 1.) We have prepared a sample letter which can be sent anonymously. See “Instructions” below for further details and to download.

3) Spread the word. Inform other Scientologists you know of the situation by disseminating one-page flyers to them by: A) email, B) regular mail, or by C) simply stuffing the flyers on their windshields or in their mail boxes. The flyers are intended to alert other Scientologists to the situation we are addressing. See “Instructions” below to download the flyer.

IF YOU HAVE NOT YET SENT YOUR FIRST LETTER OF SUPPORT, PLEASE GO TO ACTION STEP 1 (CLICK HERE), AND SEND IT ALSO.

Instructions

1. **Download Letter of Support.** Add your name or a code name (i.e., an alias or user name) and date it, then mail it to the law firm on the letter. You do not have to provide an address on the envelope if you use a code name.

If you use a code name use something unique made up of letters and numbers, e.g. Jdoe12RC, and make a unique mark in the signature line. The code name and signature mark you use should be consistent in each letter you send. (There are more action steps to come.)

2. **Create evidence.** Make a copy of the letter after you fill it out, and keep it on file. This step is especially important for those using a code name. We might need to match the letters to an identity at a later date if and when we need evidence of the amount of support we have – and when people feel more comfortable doing so.

3. **Download the Flyer**, which is a two-page, color pdf document. This is the same flyer that was linked in Action Series 1. Email it to your Scientology friends, using an alias email account if you prefer anonymity. You can also mail it to them, or simply stuff it in their residential mail boxes or place it on the windshields of their cars. (Don't trespass or break any laws in doing this.)

The flyer looks best in color and printed as a two-sided, one-page document. If you don't have the capability to easily do this, we recommend you download the flyer to a flash drive and take it to a nearby Kinkos-type shop. Print it as a black & white, two-page flyer, if you must. Or print this article and distribute it. The idea is to spread the word and involve others.

4. Keep stats: # of support letters out
 # of flyers to Scientologists

5. Stay tuned for Action Series 3: RTC Independence.
